Our School Motto

Working together to be the best we can

Our School Vision

To be a continually improving learning community for all, where children realise their potential.

This is brought to life through our seven commitments, to each child, during their journey with us:

Inspiring - We believe that the most effective learning comes from having hands on, enjoyable and memorable experiences that feed the imagination and fuel the desire to find out more.

Happiness - It is our wish that the children at Stamford Green feel cared for, so that a sense of fun and positivity leads to happiness in all we do. There are some things in life that we all just have to do, but it is the attitude with which these tasks are approached that matters.

Achieving - Knowing each child's strengths and areas of development allows us to assist every child in moving forward. Giving them individual support and strategies to succeed, aids their improvement and ensures progress.

Values - As a school, the pupils, parents, staff and governors worked together to decide on twenty two values that would become a part of school life. From assemblies and lessons to everyday actions and vocabulary, everyone uses our school values: *Manners, Sharing, Courage, Tolerance, Friendship, Respect, Effort, Forgiveness, Hope and Aspiration, Self-Belief, Responsibility, Reflection, Empathy, Honesty, Patience, Humility, Independence, Caring, Making Good Choices, Justice, Resilience.*

Ambition - We constantly aim to raise children's aspirations, helping them to become lifelong learners. We want to equip them to succeed in the 21st Century, as we are not just educating the children of today but the citizens of the future.

Learning - It is our goal to give all children the chance to shine. Children are given wide ranging experiences and opportunities, not only in the classroom but beyond, to express themselves within a supportive and challenging learning environment. Individual abilities and talents are recognised, fostered and developed and this contributes to the continued success of our pupils.

Togetherness - We believe that excellence comes from creating an open and nurturing environment where evaluation from children, parents, staff and governors leads to improvement. We recognise that relationships matter and are central to success. Whether you are in the classroom, working with other people for the good of the school or helping our community, we want everyone to feel safe, secure and above all else happy, as together everyone achieves more.
